

CLASS 5A - OUR PET STORIES

Turtle
Henrietta

Hi, I'm Turtle Henrietta and I live in a big house.

I live with the Machels.

Their names are Aaron, Niklas and the parents are Michael and Susanne

In this picture you can see Aaron.

My pet is so cool.

Aaron always gives me something to eat.

Aaron's brother Niklas is a little crazy sometimes.

He sometimes hops around the house like he's a kangaroo.

I still love the Machels very much.

My favourite food is salad.

Here you can hear Aaron's opinion about the salad:

Henrietta eats way too much salad. She makes me broke.

That´s it about me.

Here you can see another photo of me and Aaron:

TIMO'S STORY

Hello, my name is
Timo. I'm a cat. I live
in a great house with
a big garden. Simon
is my best friend. He
is very cool! He is
sometimes in the
garden with me.

My bed is next to the door in the living room. It's so cosy. My favourite toy is a green ball. My favourite place is in my bed. 🚫 I don't bring mice in the house, but in the garden is OK. Simon's mum is nice but she doesn't like my toys. It's her duvet. Simon's dad is cool but he is always busy. The neighbour's cat is silly. It stares at me.

**I'M BULLI, ANNALENA'S
BEST FRIEND**

Hello! I´m Bulli. I live with my family in a great house. I´m five and today I tell you about my life.

Annalena and her sisters are my best friends. In the morning she makes my breakfast before her own breakfast. From morning to afternoon Annalena is at school. When she comes home, I jump on the garden fence and bark.

My family go for a walk with me, after the homework. They sometimes throw balls for me or Annalena and her sisters play with my in the garden.

After my walk I´m sometimes very dirty. Then I have to take a shower. I hate it very much. But Annalena always says: Sorry, it must be! After that I´m usually angry, because the shower gets on my nerves.

My job is it to look after the family. For example: when Louisa was a baby and she slept in the buggy ,it was my job to look after her. Sometimes I fell asleep, too.

The girls in the family sometimes make jokes with me. I find the jokes very crazy, but the girls always laugh.

In the evening I´m tired, I´m Dog-tired.
I go in my bed and fall asleep.
I like my days and I love my people.

HERE, I'M A BABY...

AND HERE, I'M A MEN!

Hi I'm Buddy :-)

Hi I'm Buddy.

I'm a 2 years old Golden Retriever. My fur is brown and my small eyes are brown too. Everybody tells me I'm cute. My Hobby is handball and I love to play with my pet in a Handballteam. I love snow and sand. The snow feels soft and the sand feels so warm. I like music and my favourite song is Jersualema.

My weakness is to bark, because when I bark then only stupid howls come out.

My pet is called Luisa and she's very, very nice. In my family are also her sister Valentina, but always called Tina, her mum Cornelia, called Conni and her dad Dietmar, called Dieze.

What is my week?

I get up at 6:20 a.m. in the morning.

After that, we go for a walk in the city and I fetch rolls for my family. Then Luisa lets me out into the garden.

Then she goes to school.

We cuddle after Luisa is done with her homework.

We often visit her grandparents. Then we make dinner and eat. We go to bed at 9 o'clock. Good night. On Saturday we make dog jobs. On Sunday we picnic in Luisas room with her cuddly.

This is my week!

Sebastian and Katharina are our pets

Hello. I`m Schnuff. My mother is Blacki. Our pets are Katharina and Sebastian. In summer we haven` t got breakfast, because we go in the garden and eat grass. We rabbits like grass and other green stuff. When we go into the garden

Sebastian helps with the blue box. I hate the box, my mother, too. We have two houses: one in the garden and one in the garage. In the evenings begins a tracking: we run from that and Sebastian runs after us. In summer we eat green stuff and in winter dried animal food. Our pets are okay.

TÍMAMBROSIUS, THE BOSS CAT

Hello 😊

I´m Ambrosius, I´m a cat and I have an orange and a white fur.

My owner is Anna and she is very nice to me.

My hobbies are sleeping and eating.

Outside I love to sleep under a flower in the sun and I often visit the neighbour. In the afternoon I try to catch mice in the garden and bring them home. 🐭

I like to sleep in the night on very special places.
Sometimes i play hide and seek.

At my home also lives a dog his name is Maxl, we have fun when we are hunting each other. He is not so fast.

My pets

I am Bello. My pets are Anton and his family. Anton sleeps in my room. I play in the park with Anton in the afternoon. I have a dog kennel in the garden. Anton built the dog kennel himself.

I often play catch the ball with Anton. I run with Anton, too.
I love snow and Anton loves snow too. I play with the neighbor. Anton and the family are the best pets of the world. I often play catch the ball with Anton. I run with Anton, too.

Hello I'm Lilly...

...the crazy cat

The Horkavys are my pets

Hello. I´m Lilly.
The Horkavys are my
family – Richard,
Claudia, Lina, Emilia
and Mia.
They are nice. Well
mostly.

At the food table
my pets have
breakfast.
I often have
breakfast at the
table, too.

Sometimes I have
breakfast at the eating
place.

I like sports. Sometimes I train Taekwondo. I have the yellow belt.

They have
bought
three new
fish for me,
I like fish.
But when I
want to
catch a fish,
I can't go
in their
room.
That's
rude!

The rooms in my house are all my own, but my pets can sleep in my rooms.

*Hi I'm Dobby and I like my
Pet Felix*

Hello my name is Dobby I' am one year old. My pets name is Felix and he's very crazy. The family are nice but Luke is my favorite pet. On Monday mornings he goes to school and I want to come with him. On Tuesdays I go in the garden and chase mice. On Wednesday I wake up at six 'o clock. Om Thursdays too but then I lie on the sofa the whole day. On Fridays they watch a very nice movie and I watch it with the family. On Saturday mornings they sleep very long but I sleep very short, then we have breakfast and four hours later we have lunch Meanwhile they do sports or play computer games. On Sundays we sleep long too and have breakfast breakfast but later we have good Lunch. It's the best family for a cat.

I'm the parrot Günther

I live in Fabian`s house and garden . I like grains, fruit and vegetables. I`m usually in the cage in the living room, but I sometime can fly in Fabian´ s bedroom. It is very much fun. Fabian learns me to talk and I´m very good at it . I can say “ you are silly”. Fabian's mom's friend visited last week and I said it to her. She was very angry and sad.

Then Fabian had trouble with his mum. I learn now to say “ you are very nice”. It´ s difficult, but I practice all time.

In the evenings I eat the chips crumbs under the sofa. That's very delicious. I sometimes watch TV with the family. That's cool. I'm three years old. I have beautiful green, red, yellow, blue, orange and white feathers. I like Fabian and his family.

A busy day with
my pets

My pet Carolina.

Hi, I'm Stuffy and my pet is Carolina. We live in a quiet street with Oliver, Emily and my mum Silke. I love Carolina but she has got lots of things to do. In the week she and her sister go to school and do their homework. On Friday I go with Carolina to my school. In my school there are other nice dogs and Carolina learns lots of tricks but I haven't got time. I always chase cats, so the teacher says: "You have got a lot to learn, naughty girl." But on Saturday we have lots of fun. I often go for a walk with Carolina and we go swimming in the river behind our house. My pet looks after me so that nobody kidnaps me. In the evening I usually watch TV. My has never got time but Carolina and I play a funny game. When I sit on the sofa, Carolina keeps pushing me down. After that I take Carolina to her basket in my house and I go to bed. I'm dog-tired after a busy day.

Andreas is my pet

On Sunday in the morning, I bark to wake up my pets.
When they are awake we have breakfast in the kitchen.
Then they go to church. I always go to our garden and look everywhere.
I usually see cats in the garden. When my pets are at home, they go out with me.
Then I play with my favourite turkey and when Andreas has time for me again, I play with him.
I teach Andreas tricks and he me. In the evening we have lunch.
I make my nap and then I dream of my turkey. When I wake up again I rest.
At 3:30 p.m. we walk in the forest. At 7:00 o'clock we have dinner.
At 9:00 o'clock we watch TV and I sit on the sofa next to Andreas.
And at 10:30 Andreas goes to bed and I go to bed at 11:00 o'clock.
That was a nice day.

Best wishes

Julia is my Pet.

Hello. I'm Lion. But you can call me Lio. My people are the Schlögls - Julia, Felix, Sabine, Hans and sometimes Sarah. I like everyone in the family, but Julia is my pet.

Julia and I have got a nice flat. Upstairs is her mum and dad's flat. Every night I get up and go outside - that's my toilet. We sometimes get up at different times. Then Julia makes my breakfast and has her breakfast and after that we clean our teeth.

Julia usually goes to work. She works in a refuge. My job in the morning is to look after the house, but I usually devastate unintentionally the flat. I always cry when she goes. I sometimes get on her nerves with that.

I was in dog school for three months, where we worked in groups, but because of corona we can't do this. I like dog school at home, because Felix teaches me new tricks, the last time he wanted me to wave.

During food with the big family, I eat crumbs under the table, and when I was a little puppy, I jumped with my front paws on the table.

When Julia watches TV or plays Nintendo Switch, I want to cuddle with her. Sometimes she doesn't like this. When her cousins Lena, Hanna and Laura are in our home, Hanna and Laura are scared of me. But I want to cuddle with Lena, too, because she isn't scared of me and she likes me.

I go to bed late, because Julia goes to bed late, too.

I sometimes get on Julia's nerves.

**We are the budgerigars
Fitschi and Pico**

We are two Budgerigars, because we don't like being alone. Our names are Fitschi and Pico. We are twins. Our cage is in the living room. In the morning at 7o'clock we wake Leonie,Emma and their Parents with loud chirping. Then Leonie comes to us and feeds us with food. Leonie and Emma get ready and go to school. Their parents open the cage and we fly trough the living room. But we are being watched and the windows remain closed.

After one hour we must fly back into the cage. Then we sit on the pole and play that we must push each other down. That's funny!

When Emma and Leonie come, we stop playing, we want to greet them joyfully by chirping loudly. We love the Days Saturday and Sunday, Emma and Leonie are not at school and we can play all day. We must not only get out of the cage for one hour, but two hours. During the week we are only allowed to get out for one hour. That's cool!

Sometimes we also fly in Emma's and Leonie's bedrooms. We are supposed to stay in the living room, but

In the evenings we sit down on our poles, chirp a few more times and then we fall asleep at some point.

GERBILS IN THE BATH

gerbils in the bath

Hello, I'm Minni! I'm a little gerbil and I live in a cage with my boyfriend Micki. Today is a cool day because it is cleaning day. Our cage will be cleaned. Oh, Eva is coming! It starts! Micki climbs on her hand and she puts him in a little cage. Now it's my turn! I'm really nervous! I fidget in Eva's hand! Oops, I slip out of her hand! I run on the table from left to right. Ahhhh, I fall from it! Phoo, Eva catches me. She's carrying us upstairs and we listen to an interesting radio play. Eva puts Micki and me into the bath. You think "o no, gerbils can't swim!"? Don't worry there isn't water in the bath. We've got lots of fun and learn new tricks. I can on command stay on my hind legs. Eva gives me as a reward a yummy food. That's a really cool day. 😎
